E

É tarde pra recomençar?

Sereia de lá, encanta

Vestígios de cor de um sonho soltos no ar

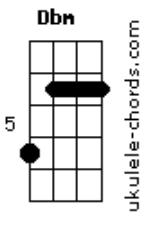

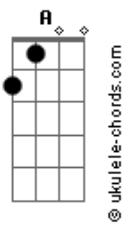

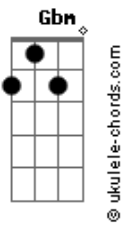

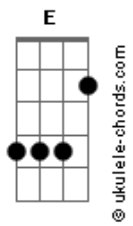

De renavegar, emanam

De cá, te esperar

E transbordar de amor

De cá, te ver chegar

Acordes

E iluminar

Serei, do mar

A abraçar suas águas tantas

Serei luar

A acalmar, do mar, as ondas

(...Aaaaa as ondas)

Laiáááá... laiáááá... erêrêrê
