

# agah - Na Dúvida

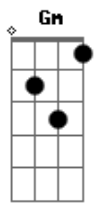

tom:  
 F  
 Veja  
 Céu azul pode mudar de cor  
 O mandacaru também dá flor  
 Mas, na dúvida, me beija  
 Veja  
 Nem todo carinho tem valor  
 Nem todo caminho leva à dor

Mas, na dúvida, me beija  
 Que tal assim  
 Se eu te gosto e tu gostas de mim  
 Que nos seja tão distante o fim  
 Quanto amor há nesse instante!  
 Deixa!  
 Amar tonteia, assombra, amarga, soma  
 É saber viver à sombra, à mágoa, a sonhar
