

# agah - Up To You

tom:

Intro: C G Am F G  
C G Am F G

Crazy things happen

You know, I know

Sometimes life is out of control

I said something?

You said something?

We don't know why but it seems so strange

Just take a little time

You'll see we're ok

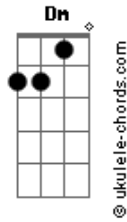

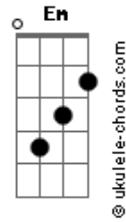

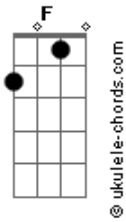

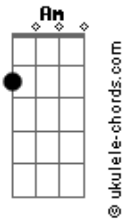

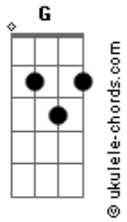

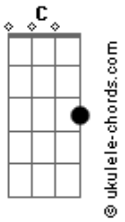

That's all because we had a bad day

So, let's rewind

Restart the game

You know I've said "sorry"

## Acordes

What do you say?

It's up to you

Ain't no war to fight

Ain't no wall to climb

Set love free

Just you and me and some wine

It's up to you

Ain't no words to cry

Ain't no tears to dry

Set love free

Just you and me here tonight
