

Agepê - Sete domingos

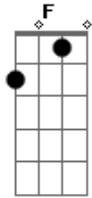

Tom: **F**
Intro: **Bb7 B7**

(**Em E7 Am B7 Em**)

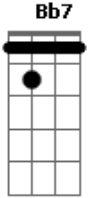

Acerte o passo no abraço que eu te dou
A vida inteira te esperei contente
Hoje o mundo cai
Nem sinto o frio que lá fora faz
Vamos correr no campo

Rever ciranda vamos cirandar
Êta! A vida é essa
A vida é essa que eu quero te dar
Na semana eu criei
Sete domingos pra te namorar
Nunca mais chorar, chorar, chorar, chorar, chorar
E somente amar, amar a amar, pra quê chorar
Nunca mais chorar, chorar, chorar, chorar, chorar
E somente amar, amar a amar, somente amar
