

Agnaldo Timóteo - Fascinação

Tom: G

Com sofreguidão mil venturas previ.

Os sonhos mais lindos sonhei,
 De que meras mil um castelo ergui

E no teu olhar, tonto de emoção;

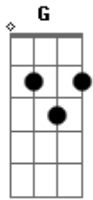

Am7 A7 Cm D7

0 teu corpo é luz, sedução,
 Poema divino cheio de esplendor

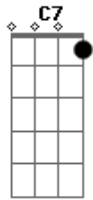

Teu sorriso prende, inebria, entontece,
 És fascinação, amor.
