

Agnes Nunes - (A)maré

tom:

Intro: Am Am7 Am
Em7 Em7 Em7 D
C7 B7 Em7 Bm B7

A maré vai secando
E eu aqui esperando
Esse Sol que não vem
Será que é muito engano
Fazer tantos planos
Esperar por alguém

A saudade me mata
Eu sem pode te ver
Sem ouvir sua voz
Se você tá feliz
Não importa mais nada
Ficou tudo entre nós

A maré secou, a maré secou
Secou a maré

A maré

A maré secou, a maré secou
Secou a maré

(Am7 Em7 Bm Bm)
(C7 B7 Em7 Bm B7)

A saudade me mata
Eu sem pode te ver
Sem ouvir sua voz

Se você tá feliz
Não importa mais nada
Ficou tudo entre nós

A maré secou, a maré secou
Secou a maré

A maré secou, a maré secou
Secou a maré

A maré

A maré secou, a maré secou
Secou a maré
