

# Agnes Nunes - (A)maré

tom:

Intro: Am Am Am  
Em Em Em D  
C7 B7 Em Bm B7

A maré vai secando  
E eu aqui esperando  
Esse Sol que não vem  
Será que é muito engano  
Fazer tantos planos  
Esperar por alguém

A saudade me mata  
Eu sem pode te ver  
Sem ouvir sua voz  
Se você tá feliz  
Não importa mais nada  
Ficou tudo entre nós

A maré secou, a maré secou  
Secou a maré

A maré secou, a maré secou  
A maré

A maré secou, a maré secou  
Secou a maré

( Am Em Bm Bm )  
( C7 B7 Em Bm B7 )

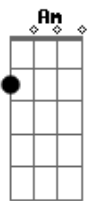

A saudade me mata  
Eu sem pode te ver  
Sem ouvir sua voz  
Se você tá feliz  
Não importa mais nada  
Ficou tudo entre nós

A maré secou, a maré secou  
Secou a maré

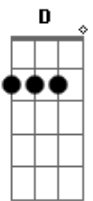

A maré secou, a maré secou  
Secou a maré

A maré secou, a maré secou  
Secou a maré
