

# Agostinho dos Santos - Telefone

Tom: C

Intro.: Am7 D7 Am7 D7 Bm7 E7 Bm7 E7 Am7 D7 Am7 D7 G E7/#9

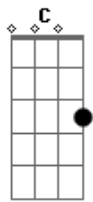

Tuén, tuén, ocupado pela décima vez  
 Tuén, telefone não consigo falar  
 Tuén, tuén, to ouvindo a muito mais de um mês  
 Tuén, já começa quando eu penso em discar  
 Eu já estou desconfiado  
 Que ela deu meu telefone pra mim  
 Tuén, tuén, e dizer que a vida inteira esperei

Tuén, que dei duro e me matei pra encontrar  
 Tuén, tuén, toda lista quase que eu decorei  
 Tuén, dia e noite não parei de discar  
 E só vendo com que jeito  
 Pedia para eu ligar  
 Tuén, tuén, não entendo mais nada  
 Pra que eu fui topar  
 Tuén, tuén, não me diga que agora atendeu  
 Será que eu, eu consegui  
 A moça encontrar, a moça atendeu, alô
