

# Agostinho Neto - No Tempo do Cativoiro

tom:

G

No tempo do cativoiro

Quando o Sinhô me batia

Eu rezava para nossa senhora meu Deus

Como a pancada doía

Trabalhava na lavoura

No açúcar, no sisal

Negó era chicoteado

No velho tronco de pau

G

Quando cheguei na Bahia

A capoeira me libertou

E até hoje ainda me lembro

Das "ordi" do meu Sinhô

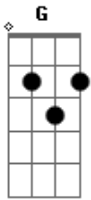

Trabalha Nego

Nego trabalha

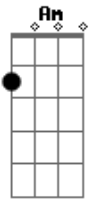

Trabalha Nego

Pra não apanhar
