

Agnaldo Rayol - O Amor É Tudo (Love Is All)

Tom: A

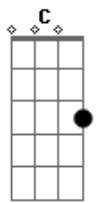

Eu pensei, saber de amor pensei
 Mas só agora eu sei
 Quanto me enganei
 Você chegou e veio me ensinar
 Que o amor é o Sol e o calor
 É a vida a cantar
 Hoje eu sei o que é amar
 Que o amor é tudo quanto eu sonhei
 Vem, amor, que estarei a esperar
 E ao dizer seu nome a vida, renascerá

Quando o Sol, em sombras se apagar
 Acende em teu olhar
 Uma estrela azul
 Então o amor, que eu tenho pra te dar
 Saberá encontrar o caminho
 Que iremos seguir
 Hoje eu sei o que é amar
 Que o amor é tudo quanto eu sonhei
 Vem, amor, que estarei a esperar
 E ao dizer seu nome a vida, renascerá
 Lá lá lá lá lá lá lá lá
 Vem, amor, que estarei a esperar
 E ao dizer seu nome a vida, renascerá
