

# Ahlex - Mistakes

Tom: G

Committed to the feeling of innovation  
 Sometimes it's like a bullet that we know is gonna hit us uh-uh  
 I certainly can't count how many of them I've committed but  
 Aren't they the ones who made me like I am now? uh-uh  
 From mistake to mistake I close my eyes and I think it's fine  
 Every time that you tell me you don't know what to do  
 From mistake to mistake we learn how we should've done  
 From mistake to mistake I keep going to you  
 A new day rises and I can feel like I'm 6 years old again  
 The calm breeze's singing songs about freedom and peace  
 So you call me with that soft voice and ask me to forget the

bad  
 Moments with you  
 From mistake to mistake I close my eyes and I think it's fine  
 Every time that you tell me you don't know what to do  
 From mistake to mistake we learn how we should've done  
 From mistake to mistake I keep going to you  
 Sunday feelings can't feel sorry for you  
 Sunday feelings can't feel sorry at all  
 From mistake to mistake I close my eyes and I think it's fine  
 Every time that you tell me you don't know what to do  
 From mistake to mistake we learn how we should've done  
 From mistake to mistake I keep going to you  
 From mistake to mistake I remember you with me
