

# Aidan Gallagher - 4th Of July

tom:

Intro: Gb B Gb B

[Primeira Parte]

Memories made in the time that we had  
 Memories fade but the best ones will last  
 As time moves on I keep lookin' back  
 At all that we had

Do you remember the times that you and I laughed?  
 Do you remember the days spent layin' in the grass?  
 'Cause now it's been years but I keep lookin' back  
 The good and the bad

[Refrão]

Kiss me like it was the fourth of July  
 Fireworks froze like stars in the sky  
 I'll always remember the fourth of July  
 The look in your eyes  
 [Segunda Parte]

Sometimes I fall victim to a past part of me  
 They're still sitting up there with you on that tree  
 Tears in your eyes  
 You were so happy  
 Said forever you'd love me  
 And something about your smile that just freaks me out  
 Can't help but feel my heart will give out  
 Beatin' in my chest  
 It's gettin' louder and louder  
 And I'm shoutin' out  
 [Refrão]

Kiss me like it was the fourth of July  
 Fireworks froze like stars in the sky  
 I'll always remember the fourth of July  
 The look in your eyes

Kiss me like you were back there that night

When fireworks froze like stars for you and I  
 I know you remember the fourth of July  
 The look in your eyes  
 The look in your eyes  
 The look in your eyes  
 In your eyes  
 In your eyes  
 In your eyes  
 [Ponte]

Oh and hold me near  
 Before we disappear  
 And hold me here  
 Oh, be forever near  
 And hold me near  
 Before we disappear  
 And hold me here  
 Oh, be forever near

[Refrão]

Kiss me like its the fourth of July  
 Fireworks froze like stars in the sky  
 I'll always remember the fourth of July  
 The look in your eyes

Kiss me like we were back there that night  
 When fireworks froze like stars for you and I  
 I know you remember the fourth of July  
 The look in your eyes  
 The look in your eyes  
 The look in your eyes  
 The look in your eyes

( B Gb B Gb )

[Final]

Do you remember our little tree?  
 And all of the pictures you hung up of you and me?  
 Oh, it took me an hour just to get 'em off that tree  
 That's how much you loved me

## Acordes
