

Aidan Gallagher - I Love You

tom: Intro: A G Bm A Give me a heart to discard of G Bm Give me your love to use G Bm A
Drink from your heart 'till it's dried up
G Bm A
Hand it back and say I'm broken over you Fate awaits for me to break Bm A Your heart in two So know you're going in To something already doomed And let my heart hurt you So be careful when you use the words I love you You?ll jump-start your heart And forget it Do your best to try to move on The regret you have You can never shed it You'll play pretend and say Fate awaits for me to break Bm A Your heart in two So know you're going in

To something already doomed And let my heart hurt you So be careful when you use the words I love you Oh, and lie to yourself Lie 'cause there's no one else Even if this love was born to fail My heart already fell Fate awaits for me to break Bm A Your heart in two So know you're going in Bm To something already doomed D And let my heart hurt you So be careful when you use the words I love you Fate awaits for us to break Our hearts in two We should know we're going in

Bm A
To something already doomed

And let my heart hurt you

So be careful when you use the words

G

I love you

Acordes

Bm
