

# Aidan Martin - Easy

tom:

Intro: D A Bm A G Gm

(My love, my love, my love)  
(My love, my love, my love)  
(My love, my love, my love)

[Primeira Parte]

D  
I just wanna hold you close  
A  
I wanna breathe in all your chemicals  
But they're flammable  
Bm  
Never get the chemistry right  
G Gm  
Now we're blowing up in the night, night  
D  
I know that you feed me lies  
A  
And I keep swallowing them every time  
Just to say your mine  
Bm  
Never been that good with pain  
G Gm  
It's easier to walk away

Em  
Why?  
Gbm  
Why?  
G  
Why? Why? Why?

D  
Why do I always choose somebody  
A  
Who's gonna make a mess out of me?  
Bm A  
Oh, God, what's wrong with me?  
Em Gm  
My love don't come easy

D  
Every time I fall from grace  
A  
It's all the way from out of space  
Bm A  
Oh, God, what's wrong with me?  
Em Gm  
My love don't come easy

D  
I just wanna say the words  
A  
But I still wait for you to say 'em first

Then the bubble burst  
Bm  
Always tryna fall too far  
G  
Then I hit the ground too hard

D  
I want something more than a weekend  
A  
Someone who can dive in the deep end  
Bm A  
I just wanna know from the start  
G Gm  
That everything I need's what you are

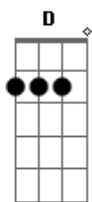

D  
Why do I always choose somebody  
A  
Who's gonna make a mess out of me?  
Bm A  
Oh, God, what's wrong with me?  
Em Gm  
My love don't come easy

D  
Every time I fall from grace  
A  
It's all the way from out of space  
Gb7 Bm A  
Oh, God, what's wrong with me?  
Em Gm  
My love don't come easy

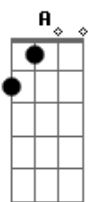

D  
(My love, my love, my love)  
A  
I don't know what's wrong with (my love, my love, my love)  
Bm A  
Don't know where I'm going (my love, my love, my love)  
Em Gm D  
My love, no it don't come easy  
(My love, my love, my love)  
A  
And if we're being honest (my love, my love, my love)  
Bm A  
Oh, it's already broken (my love, my love, my love)  
Em Gm  
My love, ooh

D  
I just wanna hold you close  
A  
I wanna breathe in all your chemicals  
But they're flammable  
Bm  
Never get the chemistry right  
G  
Now we're blowing up in the night
