## Aidan Martin - Easy

tom: D Intro: D A Bm A G Gm (My love, my love, my love) (My love, my love, my love) (My love, my love, my love) [Primeira Parte] D I just wanna hold you close I wanna breathe in all your chemicals But they?re flammable Bm Never get the chemistry right Gm Now we're blowing up in the night, night D I know that you feed me lies And I keep swallowing them every time Just to say your mine Bm Never been that good with pain G Gm It?s easier to walk away Em Why? Gbm Why? Why? Why? Why? D Why do I always choose somebody Who's gonna make a mess out of me? Bm Oh, God, what's wrong with me? Fm Gm My love don?t come easy D Every time I fall from grace Α It?s all the way from out of space Bm Oh, God, what's wrong with me? Em Gm My love don?t come easy D I just wanna say the words But I still wait for you to say 'em first Acordes n Bm

Then the bubble burst Always tryna fall too far G Then I hit the ground too hard I want something more than a weekend Someone who can dive in the deep end Bm I just wanna know from the start Gm G That everything I need?s what you are D Why do I always choose somebody Α Who's gonna make a mess out of me? Bm Oh, God, what's wrong with me? Em Gm My love don?t come easy D Every time I fall from grace Δ It?s all the way from out of space Gb7 Bm Oh, God, what's wrong with me? Em Gm My love don?t come easy D (My love, my love, my love) I don't know what?s wrong with (my love, my love, my love) Rm Don't know where I?m going (my love, my love, my love) Em Gm D My love, no it don't come easy (My love, my love, my love) And if we?re being honest (my love, my love, my love) Bm Α Oh, it's already broken (my love, my love, my love) Em Gm My love, ooh D I just wanna hold you close I wanna breathe in all your chemicals

But they're flammable Bm Never get the chemistry right G Now we?re blowing up in the night
