

# Aidan Martin - Punchline

Tom: **Db**  
 Intro: **Db Ab Bbm Gb**

**Db**  
 I dont know  
**Ab**  
 If I am in the crowd do  
**Bbm**  
 I stand alone  
**Gb**  
 You know all the words, but dont sing along  
**Ab**  
 Everything single eye has been watching me  
**Gb**  
 But they dont see  
**Ab** **Bbm**  
 That I am a just another, trying to find a way  
**Gb**  
 To hold on to your loving

Laugh away the pain  
**Ab** **Bbm**  
 I dont need no cameras to see a point of view  
**Gb** **Ab**  
 I need someone to turn to

**Db** **Ab**  
 I guess my heart never learns  
**Bbm** **Gb**  
 No use in finding the words  
**Db** **Ab**  
 If youre never here when it hurts  
**Bbm**  
 All your mistakes  
**Gb**  
 I dont want to make  
**Db** **Ab**  
 I deserve the truth, but you lie  
**Bbm** **Gb**

I dont know why Im so surprised **Ab**  
 No matter how hard I try **Db**  
 If Im just a joke **Bbm Gb**  
 Waiting for the punchline **Db**

**Ab** **Bbm**  
 You blessed love that we found  
**Gb**  
 You laugh away  
**Gb**  
 So laugh away  
**Ab** **Bbm**  
 Im just a joke, you dont know  
**Gb** **Ab**  
 How you take

**Db** **Ab**  
 I guess my heart never learns  
**Bbm** **Gb**  
 No use in finding the words  
**Db** **Ab**  
 If youre never here when it hurts  
**Bbm**  
 All your mistakes  
**Gb**  
 I dont want to make  
**Db** **Ab**  
 I deserve the truth, but you lie  
**Bbm** **Gb**  
 I dont know why Im so surprised  
**Db** **Ab**  
 No matter how hard I try  
**Bbm** **Gb**  
 If Im just a joke  
**Db**  
 Waiting for the punchline
