

Aimee Carty - 2 Days Into College

tom:
G

[Primeira Parte]

I'm two days into college and I'm three lectures behind
There's this guy, let's name him Colin, he says he wants to be mine
But it doesn't really sit with me quite right, 'Cause he doesn't really like the things I like
And I keep accidentally locking myself out of my dorm in the middle of the night

G D
I wake up kinda wired and I wake up kinda cold
And I wake up kinda tired but I'll just sleep in when I'm old
See, I don't like breaking rules but don't like doing as I'm told
So I just float around and keep my head down, and hope my life unfolds

[Refrão]

G D
And everybody's telling me that I'm doing so well
I try to trust them, honestly, I find it hard to tell
If I need work or I need rest, I try my best to try my best
I tell myself, I say out loud, "It's fine, I'll figure it all out."

[Post-Refrão]

C D
I tend to forget, I'm still only quite young
In a way, this life of mine has only just begun
I've got time, I've got time

[Segunda Parte]

G D
I'm two days into college with a busy, busy mind
That guy that we named Colin, he's so handsome, he's so kind

My friends tell me I'm crazy, say I'll take it way too far
'Cause I told him that it's over 'cause he doesn't play guitar

G D
I'm only two days into college and my bedroom is a mess
There's just so much that I want to do that I have not done yet

Em
There's just so much that I want to say and far too little breath
Oh my mind, it runs so far away, it's easy to forget

[Refrão]

G D
That to everybody else it looks like I'm doing so well
I try to see it, honestly, I find it hard to tell
If I've done wrong or I've done right, I need a good night's sleep tonight

Em C
They said go out, I said alright, I think I won't, I maybe might

C D
I probably should just take it slow, I'll be all good, but God I know

[Ponte]

C D G D Em
The one thing that's important above everything else
Is to learn not to put all this heavy pressure on myself
I try believe it when I say

G D Em D
"If it's meant to happen, it'll happen anyway."

C
I'll be fine
I've got time
I've got time

[Final]

C
That's where I'm at, to be honest
Just two days
Two days into college
