

# Air Supply - Someone Who Believes In You

Tom: C

when there's a dark storm on your horizon  
 and you think you can't get through it  
 just put your hand in my hand  
 and I'll show you how to do it

when the future looks uncertain  
 you can count on my to be there  
 and when your heart and soul are hurtin'  
 just look and you'll see me there

Chorus  
 just follow where I lead  
 I'll give you what you need  
 a Love that's always true  
 and someone who believes in you

So when you're searching for that rainbow  
 I will help you find it  
 And when a mountain stands before you  
 I will help you climb it  
 just follow where I lead  
 I'll give you what you need  
 a Love that's always true

and someone who believes in you

it's time to come alive  
 your moment has arrived  
 I'll bring out the best in you

we can have it all  
 no we will never fall  
 looking down from our celestial view

Solo: (B B Dbm Gb B)(Dbm Gb Ebm B)(A Gb G)

Chorus (2x)  
 just follow where I lead  
 I'll give you what you need  
 and I'll tell you something else  
 you'll start believing in yourself

it's an easy thing to do  
 when you have someone who believes in you  
 Segunda vez-(believes in you)

someone who believes  
 Someone who Believes  
 I'm someone who believes  
 and you got someone who believes in you
