

Air Supply - The Power Of Love

Tom: Eb

The whispers in the morning of lovers sleeping tight,
are rolling by like thunder now, as I look in your eyes.

I hold on to your body and feel each move you make,
your voice is warm and tender, a love that I could not forsake.

Cause you are my lady and I am our man,
whenever you reach for me, I'll do all that I can.

Lost is how I'm feeling, lying in your arms,

when the world outside's too much to take

that all ends when I'm with you.

Even though there may be times, it seems I'm far away,
but never wonder where I am 'cause I am always by your side.

We're heading for some place,
somewhere I've never been, sometimes I am frightened

but I'm ready to learn about the power of love.

The sound of your heart beating, made it clear suddenly,
the feeling that I can't go on is light-years away.
