

Air Supply - Two Less Lonely People In The World

Tom: E

(intro) E Am E (G#sus4 Ab)

I was down my dreams were wearing thin
 When you're lost where do you begin
 My heart always seemed to drift from day to day
 Looking for the love that never came my way

Then you smiled and I reached out to you
 I could tell you were lonely too
 One look then it all began for you and me

The moment that we touched I knew that there would be

(chorus)

Two less lonely people in the world
 And it's gonna be fine
 Out of all the people in the world
 I just can't believe you're mine
 In my life where everything was wrong
 Something finally went right
 Now there's two less lonely people
 In the world tonight

Dbm Dbm A

Just to think what I might have missed
 Looking back how did I exist
 I dreamed, still I never thought I'd come this far
 But miracles come true, I know 'cause here we are

(chorus)
 (instrumental) E (Abm Dbm) Gbm (Gbm7 B)

Tonight I fell in love with you
 And all the things I never knew
 Seemed to come to me somehow
 Baby, love is here and now there's

(chorus)

Two less lonely people in the world
 And it's gonna be fine
 Out of all the people in the world
 I just can't believe you're mine
 In my life where everything was wrong
 Something finally went right
 Now there's two less lonely people
 Two less lonely people
 Two less lonely people in the world tonight

(repeat chorus)
