

# Air Supply - Two Less Lonely People In The World

Tom: E

(intro) E Am E ( G#sus4 Ab )

I was down my dreams were wearing thin  
 When you're lost where do you begin  
 My heart always seemed to drift from day to day  
 Looking for the love that never came my way

Then you smiled and I reached out to you  
 I could tell you were lonely too  
 One look then it all began for you and me

The moment that we touched I knew that there would be

(chorus)

Two less lonely people in the world  
 And it's gonna be fine  
 Out of all the people in the world  
 I just can't believe you're mine  
 In my life where everything was wrong  
 Something finally went right  
 Now there's two less lonely people  
 In the world tonight

Dbm Dbm A

Just to think what I might have missed  
 Looking back how did I exist  
 I dreamed, still I never thought I'd come this far  
 But miracles come true, I know 'cause here we are

(chorus)  
 (instrumental) E ( Abm Dbm ) Gbm ( Gbm7 B )

Tonight I fell in love with you  
 And all the things I never knew  
 Seemed to come to me somehow  
 Baby, love is here and now there's

(chorus)

Two less lonely people in the world  
 And it's gonna be fine  
 Out of all the people in the world  
 I just can't believe you're mine  
 In my life where everything was wrong  
 Something finally went right  
 Now there's two less lonely people  
 Two less lonely people  
 Two less lonely people in the world tonight

(repeat chorus)
