

Air Supply - Two Less Lonely People In The World

Tom: E

(intro) E Am E (G#sus4 Ab)

I was down my dreams were wearing thin
When you're lost where do you begin
My heart always seemed to drift from day to day
Looking for the love that never came my way

Then you smiled and I reached out to you
I could tell you were lonely too
One look then it all began for you and me

The moment that we touched I knew that there would be

(chorus)

Two less lonely people in the world
And it's gonna be fine
Out of all the people in the world
I just can't believe you're mine
In my life where everything was wrong
Something finally went right
Now there's two less lonely people
In the world tonight

Just to think what I might have missed

Looking back how did I exist

I dreamed, still I never thought I'd come this far

But miracles come true, I know 'cause here we are

(chorus)

(instrumental)

Tonight I fell in love with you

And all the things I never knew

Seemed to come to me somehow

Baby, love is here and now there's

(chorus)

Two less lonely people in the world

And it's gonna be fine

Out of all the people in the world

I just can't believe you're mine

In my life where everything was wrong

Something finally went right

Now there's two less lonely people

Two less lonely people

Two less lonely people in the world tonight

(repeat chorus)

Acordes
