

Airam Capuani - Atenda-se

tom:
G (forma dos acordes no tom de Em)

Eu desabafei pra atende da vivo

Na sexta passada

Mas graças a chamada 7

Protocolo 89

Eu tô vivo

Ontem eu chorei

Na fila do cinema sozinho

Mas graças à dona Isabel
E sua netinha ana clara

Eu tô vivo

Ah

A luz do luar

Me ajuda entender

O por quê que a gente inventou o por quê

Eu dormi demais

E acordei velho na minha sala de estar

Eu já fiz minha lição mamãe
Já

Agora eu quero brincar

Quantas são as cores do arco-íris?

Eu sei que são sete

Porque eu aprendi na escola

Mas não parei pra contar

Ah

Deuses do céu

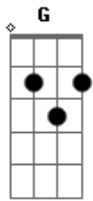

Crianças na chuva

Me ajuda entender

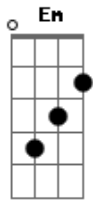

O por quê

Do por quê
