

Airtime - Jet Pilot

Tom: G

INTRO RIFF:

G A E (repeat through intro)
Hello young lady, you look quiet nice today...and I look real good
You may come a little bit closer to me
you may smell my musk if you wish
but first of all
how rude of me

G
Let me introduce to you myself to you
A
My name's pilot, I'm a pilot, that's what I do

A
And you can ask me a lot of questions about that if you want to, oh yeah

G
Let me let you buy me a drink for me
A
Cos I'm a real pilot, like on Top Gun, like on TV

A
And the thing that you should know about me is that the first night is always for free oh yeah

CHORUS:

E A
Cos I'm a pilot a jet pilot yeah
G A
And when I'm in the bar I wave my hands in the air
E A
And I'll tell you all about me even if you don't care about me
E A
Cos I'm a pilot in the military
G A
My favourite conversation topic has to be me
E G E Em
You haven't really lived until you've pulled a guy like me

G
Now I was flying in formation the other day and I was number one

A Em
When two bogies came down in on me out of the sun
G

A
and I said "I'm too close for missiles now I'm switching to guns" oh yeah

G
The other crazy bandit he rolled in on me
A Em
So I just rolled upside down and pushed some negative G
G A
I slammed on the brakes, he flew right by me, "Fox 3!!" oh yeah

CHORUS:

E A
Cos I'm a pilot a jet pilot yeah
G A
And when I'm in the bar I wave my hands in the air
E A
And I'll tell you all about me even if you don't care about me
E A
Cos I'm a pilot in the military
G A
My favourite conversation topic has to be me
E G E Em
You haven't really lived until you've pulled a guy like me

G
Now you might think that practicing all the time would be a

real bore

A
Em
Because we only ever train and we never do the job that we joined for
G

A
The only fight I've been in was some kind of crazy hand-war, oh yeah

G
But come over to my place at I don't know like half past eight

A
Em
and we'll open up a bottle of wine and we'll stay up until real late
G

A
Cos I'm gonna make you watch in slow-mo everyone of my HUD-tapes oh yeah

CHORUS:

E A
Cos I'm a pilot a jet pilot yeah
G A
And when I'm in the bar I wave my hands in the air
E A
And I'll tell you all about me even if you don't care about me
E A
Cos I'm a pilot in the military
G A
My favourite conversation topic has to be me
E G E Em
You haven't really lived until you've pulled a guy like me

E
By which I mean pulling a guy who is like me not me pulling another guy cos that is gay

C
And I'm a pilot I don't do that kind of thing...much

G
So come over to my place and we'll talk the night away
A

Em
And when I say talk baby I mean you'll listen, cos I've got a lot to say

G A
And it's all about me but that's ok, oh yeah
G

I own shares in mirror companies and other things like brill cream
A

Em
And just two minutes with me baby that's enough to make you scream
G

A
Cos I'll take you to heaven and back at Mach Three if you know what I mean
A
And I don't mean the razor mach three but it'll be real close

CHORUS:

E A
Cos I'm a pilot a jet pilot yeah
G A
And when I'm in the bar I wave my hands in the air
E A
And I'll tell you all about me even if you don't care about me
E A
Cos I'm a pilot in the military
G A
My favourite conversation topic has to be me
E G E Em
You haven't really lived until you've pulled a guy like me

CHORUS:

E A

Cos I'm a pilot a jet pilot yeah

And when I'm in the bar I wave my hands in the air

And I'll tell you all about me even if you don't care about me

Cos I'm a pilot in the military

My favourite conversation topic has to be me

You haven't really lived until you've flown at Mach 3...And I've done that twice
