

# Airton Sedano - Clã

tom:

Bb

Às vezes acho que sou bom ator  
 Eu não me esforço pra imitar você  
 Me realizo se por um lapso for

Alguna coisa que te lembre de leve

Queria ter a tua voz de cantor

Tua beleza de 80 à James Dean

O seu sorriso largo, de paisagem

Esse meio tom abaixo do meu grave

Para entender, para saber de quem eu falo

Tem que se ater que o som que vinha do meu rádio

Me deixou perplexo, reflexo

Tudo então teve nexco e eu entrei pro clã

Sou do seu seu clã, sou seu fã

Sou da trip, sou da trupe de quem é seu fã
