```
            G                 D

C                 G
 I ended up with two broke thumbs
Am            Em          Am      G
 Oh my God, I felt so dumb, lucky me
G                   D
 I wrote a song that no one knows
C                   G
 I played a show and no one showed
Am            Em          Am      G
 Oh my God, I felt so alone, lucky me

   Am  Em                       C                          Em

   Am  Em                   C                 Em
 Wooooaaaah, what you gonna do? Who you gonna tell?
