

# AJR - 3 O'clock Things

tom:

Intro: Ebm Db  
Come on, guy

I promise everything'll be alright, be okay  
Your eyes are tired, but keep 'em open  
'Cause you wouldn't want to miss a thing

Ebm Db  
Come on, guy

I promise everything'll be alright, be okay  
Your eyes are tired, but keep 'em open  
'Cause you wouldn't want to miss a thing

[Primeira Parte]

Ebm Db  
It's kinda funny how I paid for college  
When YouTube was an option  
But then I would've had to spend  
My best years  
Skipping ads and readin' comments

Ebm Db  
And when the hell did advertisements get so  
Good? They're like narcotics  
So now I'm spending every penny I own  
I should have allotted to finishing college

( Ebm Db Gb Bb )

[Segunda Parte]

Ebm Db  
It's kinda funny how I keep debating  
If someone's shy or if they hate me  
I feel like everyone I know right now  
Is hooking up and getting wasted

(Without me)

Ebm Db  
And maybe sex is overrated  
But we're too shy to ever say it  
So we pretend we're all amazing  
It's 3 AM, I should be sleeping

[Refrão]

Ebm Db  
Would you go running  
If you saw the real me?  
Maybe you'd love 'em  
Yeah, maybe you'd feel me

Ebm Db  
But I'll never ask you

B Gb  
No, that's super scary  
Sorry to bail  
It's already three o'clock

Ebm Db  
It's too hard to tell  
If anything's real or not

[Terceira Parte]

Ebm Db  
It's kinda funny how you vote for someone  
To vote for someone to vote for someone  
And you might end up with someone evil  
But you say that he means well

Ebm Db  
If I keep on talking politics  
My friends'll dip, they're over it  
If I keep on talking politics  
I'm Hamilton (Without the hits)

[Refrão]

Ebm Db  
Would you go running  
If you saw the real me?  
Maybe you'd love 'em  
Yeah, maybe you'd feel me

Ebm Db  
But I'll never ask you  
No, that's super scary  
Sorry to bail  
It's already three o'clock

Ebm Db  
It's too hard to tell  
If anything's real or not

[Quarta Parte]

Ebm Db Gb B  
Isn't this obvious, am I insane?  
Let's blame our parents  
'Cause they taught us their ways

**Ebm**      **Db**      **B**      **Gb**  
 Stay out of politics, stay on the fence  
**Ebm**      **Db**  
 Stay out of all of it  
**B**      **Gb**  
 To keep half your fans

**Ebm**      **Db**      **Gb**      **B**  
 Isn't this obvious? **Am** I insane?  
**Ebm**      **Db**  
 There might be two sides  
**Gb**      **B**  
 To everything that you say

It's all a bit cloudy  
**B**      **Gb**  
 But there's one thing I know  
**Ebm**      **Db**  
 That if you're fucking racist  
**B**      **Gb**  
 Then don't come to my show  
 (No, we have to do one more) **Ebm**

[Final] **Ebm** **Db** **B** **Gb**  
**Ebm** **Db** **B** **Gb**  
**Ebm** **Db** **B** **Gb**
