

# AJR - Burn The House Down

Tom: C

Used to keep it cool <sup>Am</sup>

Used to be a fool <sup>C</sup> <sup>D</sup>

All about the bounce in my step <sup>Am</sup>

Watch it on the news

Whatcha gonna do? <sup>C</sup> <sup>D</sup>

I could hit refresh and forget

Used to keep it cool

( Am C D F )

Should I keep it light? <sup>Am</sup>

Stay out of the fight? <sup>C</sup> <sup>D</sup>

No one's gonna listen to me <sup>Am</sup>

If I write a song

Preaching what is wrong <sup>C</sup> <sup>D</sup>

Will they let me sing on TV? <sup>Am</sup> <sup>C</sup>

Should I keep it light? <sup>D</sup> <sup>F</sup>

Is that right?

<sup>Am</sup>

Way up way up we go <sup>C</sup>

Been up and down that road <sup>D</sup>

Way up way up, oh no <sup>F</sup>

We gon' burn the whole house down <sup>Am</sup>

Watch me stand in the line <sup>C</sup>

You're only serving lies <sup>D</sup>

You've got something to hide <sup>F</sup>

We gon' burn the whole house down

( Am C D F )

We gon' burn the whole house down

( Am C D )

Used to let it go <sup>Am</sup>

Walk into the show <sup>C</sup> <sup>D</sup>

Gawking at the tricks up your sleeve <sup>Am</sup>

Too good to be true

But I'm in a room <sup>C</sup> <sup>D</sup>

Full of entertainers and thieves <sup>Am</sup> <sup>C</sup>

Used to let it go <sup>D</sup> <sup>F</sup>

Woah, oh no

(Whoa, oh no)

<sup>Am</sup>

Way up way up we go <sup>C</sup>

Been up and down that road <sup>D</sup>

Way up way up, oh no <sup>F</sup>

We gon' burn the whole house down <sup>Am</sup>

Watch me stand in the line <sup>C</sup>

You're only serving lies <sup>D</sup>

You've got something to hide <sup>F</sup>

We gon' burn the whole house down

( Am C D F )

We gon' burn the whole house down

( Am C D F )

Should I hang my head low? <sup>Am</sup>

Should I bite my tongue? <sup>C</sup>

Or should I march with every stranger from Twitter to get shit done? <sup>D</sup> <sup>F</sup>

Used to hang my head low <sup>Am</sup>

Now I hear it loud <sup>C</sup>

Every stranger from Twitter is gonna burn this down <sup>D</sup> <sup>F</sup>

<sup>Am</sup>

Way up way up we go <sup>C</sup>

Been up and down that road <sup>D</sup>

Way up way up, oh no <sup>F</sup>

We gon' burn the whole house down

<sup>Am</sup>

Watch me stand in the line <sup>C</sup>

You're only serving lies <sup>D</sup>

You've got something to hide <sup>F</sup>

We gon' burn the whole house down

( Am C D F )

We gon' burn the whole house down <sup>Am</sup> <sup>C</sup> <sup>D</sup>

We burn it down, we burn it down <sup>F</sup>

We gon' burn the whole house down

[Final] Am C D Am
