I'll take my time

I'll take my time

You cannot rush

What can't be timed
Em C
And its tough believing

There's someone living out there
Em C D
Happier than me
Em C G
Happier than me

Em C G
We may be lost
D
And gone forever
Em C D
The rain will wash our memory

[Tab - Solo]

I woke up last night from a dream
Em C D
That we'd grow old on Bleecker Street
Em C G D
Sit by the fire and I'd play my guitar
Em C D
But dreams are only dreams

Em C D
And then I wonder when we leave
Em C
Will the moon still be white
D
And the river green
Em C G D
Sometimes I wonder if we matter at all
Em C G D
If we're not written down
Em C G
Who will remember now

Em C G
We may be lost
D
And gone forever
Em C D
The rain will wash our memory
Em
But when we cry
C D
We cry together
Em C G
Like it was meant to be

Em C G
We may be lost
D
And gone forever
Em C D
The rain will wash our memory
Em
But when we cry
C D
We cry together
Em C G
Like it was meant to be
