

AJR - I Won't

tom:

Intro: Am G Am
Put your hands up 'cause I won't

Raise a glass up 'cause I won't

Get your ass up 'cause I won't

I must've missed the hype

But maybe that's the way I feel

[Primeira Parte]

(Hello, hello, hello, hello)

Hello, how you doin'? Am I talkin' too fast?

I'm runnin' on adrenaline and one-hour naps

'Cause I do what you tell me, do it, do it to death

Do it death, yeah

[Pré-Refrão]

Alcapulco, Tel Aviv or maybe Japan

And many people tellin' to follow the dance

So I do what you tell me, do it, do it to death

But I can't do this shit again

[Refrão]

Put your hands up 'cause I won't (Right on time)

Raise a glass up 'cause I won't (My, oh, my)

Get your ass up 'cause I won't (I won't)

I must've missed the hype

But maybe that's the way I feel

Put your hands up 'cause I won't (Right on time)

I'm not here 'cause you say so (My, oh, my)

Get your ass up 'cause I won't (I won't)

I must've missed the hype

But maybe that's the way I feel

That's the way I feel

[Segunda Parte]

(I don't, I don't, I don't, I don't)

I don't got nobody like I sing in the press

So I go to the precipice, a place in my chest

And now I look impressive with a couple of bets

Just like my friends

[Ponte]

So welcome back and take a breath

You've come to life, you're bored to death

So welcome back and take a breath

You've come to life but I digress

[Refrão]

Put your hands up 'cause I won't (Right on time)

Raise a glass up 'cause I won't (My, oh, my)

Get your ass up 'cause I won't (I won't)

I must've missed the hype

But maybe that's the way I feel

Put your hands up 'cause I won't (Right on time)

I'm not here 'cause you say so (My, oh, my)

Get your ass up 'cause I won't (I won't)

I must've missed the hype

But maybe that's the way I feel

That's the way I feel

[Ponte]

So welcome back and take a breath

You've come to life, you're bored to death

So welcome back and take a breath

You've come to life, you're bored to death

So welcome back
