

# AJR - I'm Ready

Tom: C

You're feeling good, you're feeling right  
 Across the floor, and I'm already losing my mind  
 Baby girl, looking fine  
 Watch you playing and playing and playing these guys  
 Catch my stare, little smile  
 Tell me that you're ready and you're feeling the vibe  
 Someday I'll be so damn sublime  
 We'll arrive behind a hash-tag sign  
 I won't forget you, but I may  
 Forget your name

My lady  
 I know what you're thinking  
 When the bass starts ringing  
 Can you tell me when you're stoked to start?  
 Are you ready for tonight, setting it on fire  
 And we'll dance until we're dumb in the dark

My lady  
 I know what you're thinking  
 When the bass starts ringing  
 Can you tell me when you're stoked to start?  
 Are you ready for tonight, setting it on fire  
 And we'll dance until we're dumb in the dark

Are you ready?  
 I'm ready

Em G

Break me down, dirty jokes  
 Watch me dear, and say what you wanna know  
 Beauty lies, within the eyes  
 Of the beholder, I'll be holding you close all night  
 I won't forget you, but I may?  
 Forget your name

My lady  
 I know what you're thinking  
 When the bass starts ringing  
 Can you tell me when you're stoked to start?  
 Are you ready for tonight, setting it on fire  
 And we'll dance until we're dumb in the dark

My lady  
 I know what you're thinking  
 When the bass starts ringing  
 Can you tell me when you're stoked to start?  
 Are you ready for tonight, setting it on fire  
 And we'll dance until we're dumb in the dark  
 Are you ready?

I'm ready  
 Break me down, I'm ready, break me down  
 Break me down, I'm ready, break me down  
 Break me down, I'm ready, break me down  
 Break me down, I'm ready, break me down  
 I won't forget you, but I may  
 Forget your name  
 I'm ready

Break me down, I'm ready, break me down  
 Break me down, I'm ready, break me down  
 I'm ready
