[Primeira Parte]

I believed in God back in 8th grade
He could smoke an eighth on
A school?day
Remember?when you laughed?
At my last name
Now I go?by Met is that less lame
Of a last name

(C Dm Am G)
(C Dm Am G)

[Segunda Parte]

I believed in God back in 09
Always down to hang
He had no time, Yeah
But in a couple of years
I?ll be so outta here
I?ll have a lotta new friends
And I won?t even care

[Refrão]

I don?t ever think of you
I got too much stuff to do
Should have left you back in school
Joseph do you think I?m
I don?t ever think of you
Look at all this stuff I do
I?ve play?d shows in Belarus
Now Joe do you think I?m cool

(C Dm Am G)
(C Dm Am G)

[Terceira Parte]

I could make a jok? but
It feels strange
Every time she laughed
It would feel fake
But you could make her

Laugh in a real way
Yeah I still use your jokes
And they go great
It took a little while but
I found love
I thought you?d reply
You just thumbed up
I play a lot of shows but
You don?t come
I don?t even mind this is so dumb
So dumb

[Refrão]

I don?t ever think of you
I got too much stuff to do
Should have left you back in school
Joseph do you think I?m
I don?t ever think of you
Look at all this stuff I do
Probably not as much as you
Still Joe do you think I?m cool

(C Dm C F)
(C Dm C F)

[Ponte]

I don?t ever think of you
I don?t ever think of you
I don?t ever think of you
I don?t ever think of you
I don?t ever think of you

[Quarta Parte]

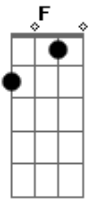

I got friends all up the coast
Proud of all the songs I wrote
But I can?t take this backpack off
It comes with me where I go
Maybe I?ll put out this song
And I won?t change your name at all
Maybe then you?ll call me up
And you?ll tell me how cool I got
