

# AJR - Next Up Forever

tom:  
 G  
 Your eyes are open, so never close them  
 You'll sail the ocean, finding where you  
 Should be  
 And if you're broken, you'll make your own  
 Thing  
 You'll make it so big for all the world to  
 See  
 You'll make it so damn big for all the  
 World to see

Gm Dm Gm  
 I'm kinda scared to drop this album  
 Let's push it back another week  
 I wanna be next up forever  
 Find a way to never hit my peak  
 I kinda wish I was still a virgin  
 "Time to finally see what sex is like!"  
 I wanna be next up forever  
 Forever, I'll be second in line

Cm7  
 Some day, they'll be talking about me
