

AJR - Sober Up

Tom: F

F
Hello, hello

Bb F
I'm not where I'm supposed to be

Bb Dm
I hope that you're missing me

C F
'Cause it makes me feel young

F
Hello, hello

Bb F
Last time that I saw your face

Bb Dm
Was recess in second grade

C F
And it made me feel young

Dm
Won't you help me sober up

C
Growing up it made me numb

F Bb
And I want to feel something again

Dm
Won't you help me sober up

C
All the big kids, they got drunk

F Bb
And I want to feel something again

Dm C
Won't you help me feel something again

F
How's it go again?

F
Goodbye, goodbye

Bb F
I said to my bestest buds

Bb Dm
We said that we'd keep in touch

C F
And we did our best

F
All my new friends

Bb F
We smile at party time

Bb Dm
But soon we forget to smile

C F
At anything else

Dm
Won't you help me sober up

C
Growing up it made me numb

F Bb
And I want to feel something again

Dm
Won't you help me sober up

C
All the big kids, they got drunk

F Bb
And I want to feel something again

Dm C
Won't you help me feel something again

Bb
How's it go again?

F
How's it go again?

Dm C F
My favorite color is you
