Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Cause all your strengths is just within your mind
Ca

Bm7 A G
I know you?ll survive, I know you?ll survive

Em7 G
Just lift up your head and look at the fine bright light
Em7 Bm7 A
I know you?re not that blind
Em7 G
Just shout to the world who you are
Bm7 G
Waiting to fly so high
Bm7 G
Believe in yourself, open up your eyes
Bm7 A G
Believe in yourself every single time
