

# Akon - Don't Let Up

Tom: Bb

(Dont Let it Get To You, No Baby)

Girl I Know you're fed up but things gonna get a lot better  
(Dont Let it Get To You, No Baby)

Don't wanna see you give up, whatever you do, don't let up  
Girl i Know that things are hard now  
And you're feeling like you're all alone  
(feeling that you're all alone)

Mom & dad's no long 'round now  
'Cause now you're grown with kids of your own  
Baby dad is nowhere to be found

While you play the role of mom & papi  
(Raising them all by yourself)  
Always home and can't go out now

Can't remember the last time that you were happy  
Whatever you do...  
(Dont Let it Get To You, No Baby)

Girl I Know you're fed up but things gonna get a lot better  
(Dont Let it Get To You, No Baby)

Don't wanna see you give up, whatever you do, don't let up  
Every man that you meet on the streets  
You're looking at him like he's an enemy

(Just give us one more chance)

Girl I know that you can't hurt no more  
You've been damaged, can't trust nobody  
And I know that you can just move on

If you let your past go with the wind  
(And smile more often)

Then you will find that guy that you always wanted  
From friend to husband So girl just know that...  
(Dont Let it Get To You, No Baby)

Girl I Know you're fed up but things gonna get a lot better  
(Dont Let it Get To You, No Baby)

Don't wanna see you give up, whatever you do, don't let up  
No matter how bad things get

Girl don't let it get to you  
I know you're trying to make ends meet  
So girl don't let it get to you  
You only got one life to live  
So don't let it get to you  
So go on and make the best of it

Just don't let it get to you  
(Dont Let it Get To You, No Baby)

Girl I Know you're fed up but things gonna get a lot better  
(Dont Let it Get To You, No Baby)

Don't wanna see you give up, whatever you do, don't let up
