 Falado:  
 Yo, this one here, goes out to all my playas out there man,  
 you  
 know  
 They got to have one good girl who's always been there like,  
 took all the bullshit  
 then one day she can't take it no more and decides to leave  
 I woke up in the middle of the night  
 and I noticed my girl wasn't by my side,  
 coulda sworn I was dreamin,  
 for her I was feenin,  
 so I hadda take a little ride,  
 back tracking of these few years,  
 trying to figure out what I do to make it go bad,  
 cause every since my girl left me,  
 my whole life came crashin' and I'm so...
