Intro: /Verse1

It's been so long, that I haven't seen your face,

 it won't be long, before I get you by my side,
 just hold you, tease you, squeeze you, tell you whats been on my mind,

I wanna make up right na na na,
 I wanna make up right na na na,
 wish we never broke up right na na na,
 we need to live up right na na na,
 I wanna make up right na na na,

 wish we never broke up right na na na,
 we need to live up right na na na,

Girl I know, mistakes were made between us two,
 & we sure, our ass that I even said somethings weren't true,
 why'd you go? I haven't seen my girl since then,
 why can't it be the way it were, cause you were my homie, lover, and friend?
