                                                                watching everyday that goes by, I miss you much
                                                                til I get you back I'm gon' try, yes I miss you much
Intro: /Verse1
                                                                you are the apple of my eye, girl I miss you much
It's been so long, that I haven't seen your face,
                                                             Gb I can't lie, I miss you much
I'm trying to be strong, but the strength I have is washing
                                                                watching everyday that goes by, I miss you much
it won't be long, before I get you by my side,
                                                                til I get you back I'm gon' try, yes I miss you much
                                                                you are the apple of my eye, girl I miss you much
just hold you, tease you, squeeze you, tell you whats been on
mv mind.
                                                                Chorus
                                                                         Abm
                                                                I wanna make up right na na na,

Girl I know, mistakes were made between us two,
                                                                I miss how you lie with me, miss how you lie
                                                                just wish you could dine with me, wish you could dine with me
& we sure, our ass that I even said somethings weren't true,
      Abm
                                                                                       Abm
why'd you go? I haven't seen my girl since then,
                                                                the one night of grind with me, said the one night of grind
why can't it be the way it were, cause you were my homie,
lover, and
                                                                I want you to fly with me, want chu to fly
