

Akon - Sorry Blame It On Me

Tom: C

This is the intro when he is talking and the piano is playing I think, it repeats through $% \left(1\right) =\left(1\right) \left(1\right$

C I'm sorry for the times that I left you home Am I was on the road and you were alone F I'm sorry for the times that I had to go C I'm sorry for the fact that I did not know C G That you were sitting home just wishing we Am Could go back to when it was just you and me F I'm sorry for the times I would ne-glect C I'm sorry for the times I disrespect C G I'm sorry for the wrong things that I've done Am I'm sorry I'm not always there for my sons F I'm sorry for the fact that I'm not a-ware C That you can't sleep at night when I am not there C G Because I'm in the streets like everyday Am I'm sorry for the things that I did not say F Like how you are the best thing in my world

Acordes

And how I'm so proud to call you my girl I understand that there's some problems And I'm not too blind to know All the pain you kept inside you Even though you might not show If I can't apologize for being wrong Then it's just a shame on me I'll be the reason for your pain And you can put the blame on me Said you can put the blame on me Said you can put the blame on me Said you can put the blame on me You can put the blame on me The song follows this pattern throughout.
