

Al Green - I'm So Tired Of Being Alone

Tom: G

I'm so tired of being alone,
 I'm so tired of on-my-own,
 won't you help me, girl,
 just as soon as you can.
 People say that I've found a way,
 to make you say,
 that you love me.

But baby,
 you didn't go for that,
 me, it's a natural fact,
 that I wanna come back,
 G7sus4add9

show me where it's at, baby.

I'm so tired of being alone,
 I'm so tired of on-my-own,
 won't you help me, girl,
 just as soon as you can.
 I guess you know that I, uh,
 love you so, even though,
 you don't want me no more,

Now I'm cryin' tears,
 all through the years,
 I tell you like it is,
 love me if you will.
 Ya baby,
