

# Al Green - I'm So Tired Of Being Alone

Tom: G

I'm so tired of being alone,  
 I'm so tired of on-my-own,  
 won't you help me, girl,  
 just as soon as you can.  
 People say that I've found a way,  
 to make you say,  
 that you love me.

But baby,  
 you didn't go for that,  
 me, it's a natural fact,  
 that I wanna come back,  
 G7sus4add9

show me where it's at, baby.

I'm so tired of being alone,  
 I'm so tired of on-my-own,  
 won't you help me, girl,  
 just as soon as you can.  
 I guess you know that I, uh,  
 love you so, even though,  
 you don't want me no more,

Now I'm cryin' tears,  
 all through the years,  
 I tell you like it is,  
 love me if you will.  
 Ya baby,
