

Al Martino - Can't Take My Eyes Off You

```
You`re just good to be true can`t take my eyes off you
Tom: A
                                                                 You`ll be like heaven to touch I wanna hold you so much
   Intro: Gb A E
                                                                 At long last love has arrived and I thank God I'm alive
You're just good to be true can't take my eyes off you
                                                                 You're just too good to be true can't take my eyes off of you
You'll be like heaven to touch I wanna hold you so much
                                                                Pardon the way that I stare there's nothing else to compare
At long last love has arrived and I thank God I'm alive
                                                                 The sight of you leaves me week there are no words left to
               Gb
You`re just too good to be true can`t take my eyes off of you
                                                                speak
Pardon the way that I stare there`s nothing else to compare
                                                                 But If you feel like I feel please, let me Know that it's real
                                                                 Gbm B7 E Db7
The sight of you leaves me week there are no words left to
                                                                You're just too good to be true can't take my eyes off of you
speak
                                                                          Gbm
                                                                                              B7
But If you feel like I feel please, let me Know that it's real I love tou baby and that is quite all right I need you baby to
                                                                warm my lonely night
