Romance is a game for fools
                            I used to say
                            Eb7 Ab G7
I thought I'd never play

Romance is a game for fools
                            I said and
                                         grinned then
Am B7
You passed by, and here
             Gbm7 B7
                                   B7 G7

Fools rush in, where angels fear to tread and so
             Dm7 G7
I come to you my love
                       my heart above my head

Though I see, the danger there

                        then I don't care
If there's a chance for me

But wise men never fall in love
                                   so how are they to know

                   I felt my life begin
When we met
                          Dm
So open up your heart and let this fool rush in
