The night is like a lovely tune

Beware my foolish heart

How white the ever distant moon

Take care, my foolish heart

There's a line between love and fascination

That's so hard to see on evenings such as this

For they both give the very same sensation

When you are lost in the magic of a kiss  
Her lips are much too close to mine  
Beware my foolish heart  
But should our eager lips combine  
Then let the fire start  
For this time it isn't fascination,  
Or a dream that will fade and fall apart  
It's love this time, it's love, my foolish heart
