Tom: C

Intro: C7M Em7 Cdim Dm7 G7

I hear music when I look at you
A beautiful theme of every dream I ever knew
Down deep in my heart, I hear it play
I feel it start then melt away
I hear music when I touch your hand
Beautiful melody from some enchanted land
Down deep in my heart, I hear it say
Is this the day
I alone have heard this lovely strain
I alone have heard this glad refrain
Must it be forever in side of me

Why can't I let it go, why can't I let you know
Why can't I let you know
The song my heart would sing
That beautiful rhapsody
Of love and youth and spring
The music is sweet the words are true
The song is you
Interlude: E D7 G Am Am7 Am7 Am B7 Em Dm7 G7
Why can't I let you know
The song my heart would sing
That beautiful rhapsody
Of love and youth and spring
The music is sweet the words are true
