

# AL3JANDRO - We Own The Night

tom:

It's 3 AM  
 And that's my type  
 And we don't sle-e-e-e-eep 'cause we like to fly  
 So let's pretend  
 That we don't die  
 Look, this ain't che-e-e-e-eap, but do you want to try?

If you want a turn, come and find us we can burn  
 Everything that you would learn  
 I know you just want to be like us  
 I know you're scared because all of us were there  
 Trust me, you just want to be like us

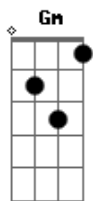

We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 W? own the ni-I-I-I-I-I-I-I-I-I-I-I-ight

So we go left  
 (Y?ah, we go left)  
 And you go right  
 (You go right)  
 So follow me-e-e-e-e, It'll be alright  
 Cause when we move

We can go wherever we like  
 But we don't dance, no we don't dance until the night

If you want a turn, come and find us we can burn  
 Everything that you would learn  
 I know you just want to be like us  
 I know you're scared because all of us were there  
 Trust me, you just want to be like us

We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 W? own the ni-I-I-I-I-I-I-I-I-I-I-I-ight

I know it's dark at first, just let go of your troubles  
 It's another level, so be careful, let it settle  
 Drink, drink, yeah, drink it fast  
 The anger's gone, the worst is past  
 So enter, you're here to stay forever, ever, ever

We own the night  
 We own the night

We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 We own the ni-I-I-I-I-I-I-I-I-I-I-I-ight  
 W? own the ni-I-I-I-I-I-I-I-I-I-I-I-ight
