Tom: E

Intro: Abm Gbm Abm Gbm E E  
Intro:

All the world can't hold a candle to you  
Cause' all the world is in the dark  
I'll tell you why I'm so sure  
Ooh! I took a shine to you

And all them ladies won't change your mind  
And all them girls won't turn your head  
And all them lions in the jungle at night  
I don't worry 'bout my baby

Cause I know why I don't worry  
I sing me no sad songs  
Happy! Never sad for long  
Don't you call me anything doll  
But your baby I know-oh-oh...

All them girls might wanna rip us apart  
If they wanna fight then they started fucking with the wrong heart  
They got another thing comin'  
Or I'll be a dead woman  
Oh and I would do all that for you  
I'd do it for you..

Cause all them girls... don't know you like I do  
All them girls... don't know you like I do  
And all them ladies... they don't know you like I do  
That's why I call you my baby

So be mine  
So be mine  
So be mine  
So be mine  
So be my baby...  
Just say alright  
Forever and alright
