Intro:
       Abm
                           Gbm
All the world can't hold a candle to you
             Abm
                             Gbm
Cause' all the world is in the dark
             Abm
I'll tell you why I'm so sure
Ooh! I took a shine to you
And all them ladies won't change your mind
            Abm
And all them girls won't turn your head
And all them lions in the jungle at night
I don't worry 'bout my baby
Cause I know why I don't worry
Abm
 I sing me no sad songs
Happy! Never sad for long
                 Gbm
Don't you call me anything doll
But your baby I know-oh-oh...
```

Acordes

```
All them girls might wanna rip us apart
             Ahm
                     Gbm
If they wanna fight then they started fucking with the wrong
heart
They got another thing comin'
Ghm
Or I'll be a dead woman
Oh and I would do all that for you
I'd do it for you..
              Abm
                       Gbm
Cause all them girls... don't know you like I do
                       Gbm
All them girls... don't know you like I do
            Abm
And all them ladies... they don't know you like I do
That's why I call you my baby
Gbm E E
So be mine
Gbm E
So be mine
Gbm E
So be mine
So be my baby...
Just say alright
Forever and alright
```
