

# Alabama Shakes - On Your Way

Tom: E

On your way to God, did you think of me?  
 On your way to Heaven, did you say I'll see you again?  
 (Ooooh, oooh, oooh, ooooh)  
 It wasn't me, why wasn't it me?

Break: E

On your way to to the promised land, did you say  
 Oh, She was such a friend?  
 Then they took you higher and

I don't know If I can follow...

It wasn't me, why wasn't it me?

Break: E A B E

On your way, I said to the air  
 I don't know if I am strong  
 So I climbed to the mountain  
 And I don't know what I did wrong

Cause' it was just me, just little ole' me...
